## Artwork Advisories

This template is not to scale and is to be used as a guide for print size & positioning only.

Full colour printed colours may differ when printed to the final product.

We advise against printing large sections of light colours with full colour print.

Artwork can misalign during the printing process.

Seam line may be visible in final product.

Printed sample recommended before going to production.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work. Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

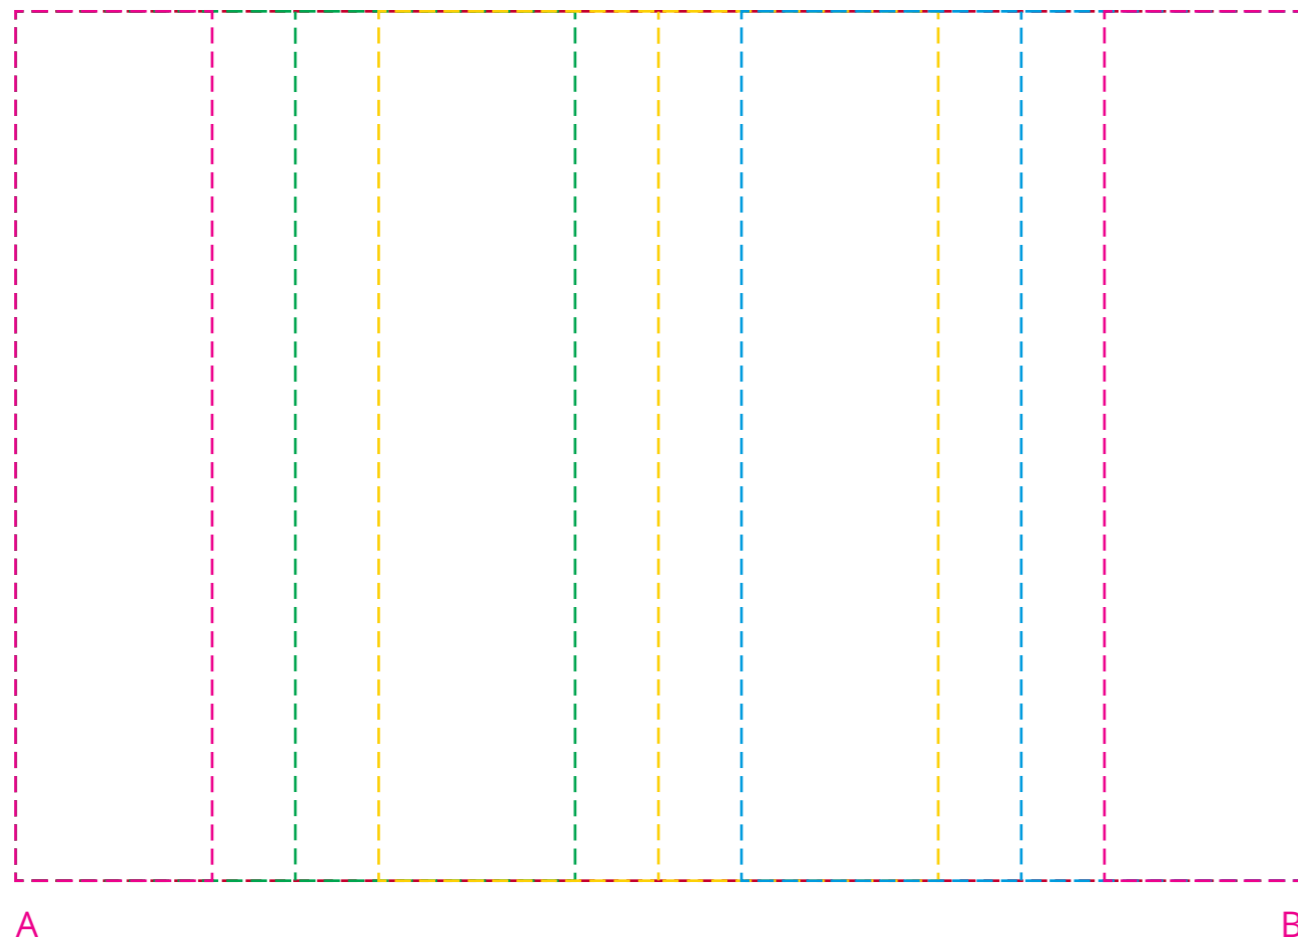

Please email all approvals/amends to your order processor.
