Artwork Advisories

Full colour printed colours may differ when printed to the final product. When transfer printed an outline edge (keyline) may be visible.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation **of the final product & printed work**. Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

Please email all approvals/amends to your **order processor**.

The closest we can print to the edge of the bag is 30mm.

Must have all strokes outlined and then merged using the Pathfinder>Merge action. Then make sure the artwork is grouped.
