## Artwork Advisories

This visual is to be used as a guide for approximate print size & positioning only. This print method uses ceramic fired colour with pre mixed inks so colour representation may differ on the final product. A sample is recommended unless the ink is black or white.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. **Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work.** Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

**Please email all approvals/amends to your order processor.**
