Artwork Advisories

Thread colours are not Pantone matched. They are matched from universal Madeira thread swatch books. Production processes may at times have a slight effect on how colours appear on garments. Actual embroidery appearance may differ slightly once digitised.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation **of the final product & printed work.** Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

Please email all approvals/amends to your **order processor.**
