Artwork Advisories

This visual is to be used as a guide for approximate print size & positioning only.

When transfer printed an outline edge (keyline) may be visible.

This print method uses ceramic fired colour with pre mixed inks so colour representation may differ on the final product. A sample is recommended unless the ink is black or white.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work. Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

Please email all approvals/amends to your order processor.
