

Seed paper Lanyard

— = Finished size
..... = do not place any elements outside this line

Artwork specifications:
Artwork must be supplied in CMYK colour mode or PMS colours - RGB is not acceptable.
All fonts must be converted to outlines.
A 2mm not-printing-margin is required at all sides.
Please do not use large blocks of one colour. MAX 50% of the paper sheet may be printed on because of the germination of the seeds.
Files to be supplied in PDF, EPS or AI format only.
