## Artwork Advisories

Full colour printed colours may differ when printed to the final product.  
A layer of white is printed underneath the artwork to ensure the colour of the pen doesn't affect the print.

**It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork.** Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work. **Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.**

Please email all approvals/amends to your order processor.
