Artwork Advisories

A layer of white is printed underneath the artwork to ensure the colour of the pen doesn't affect the print.
Full colour printed colours may differ when printed to the final product.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. **Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work.** Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.
