Branding Spot colour

PANTONE® Colours

Artwork Advisories

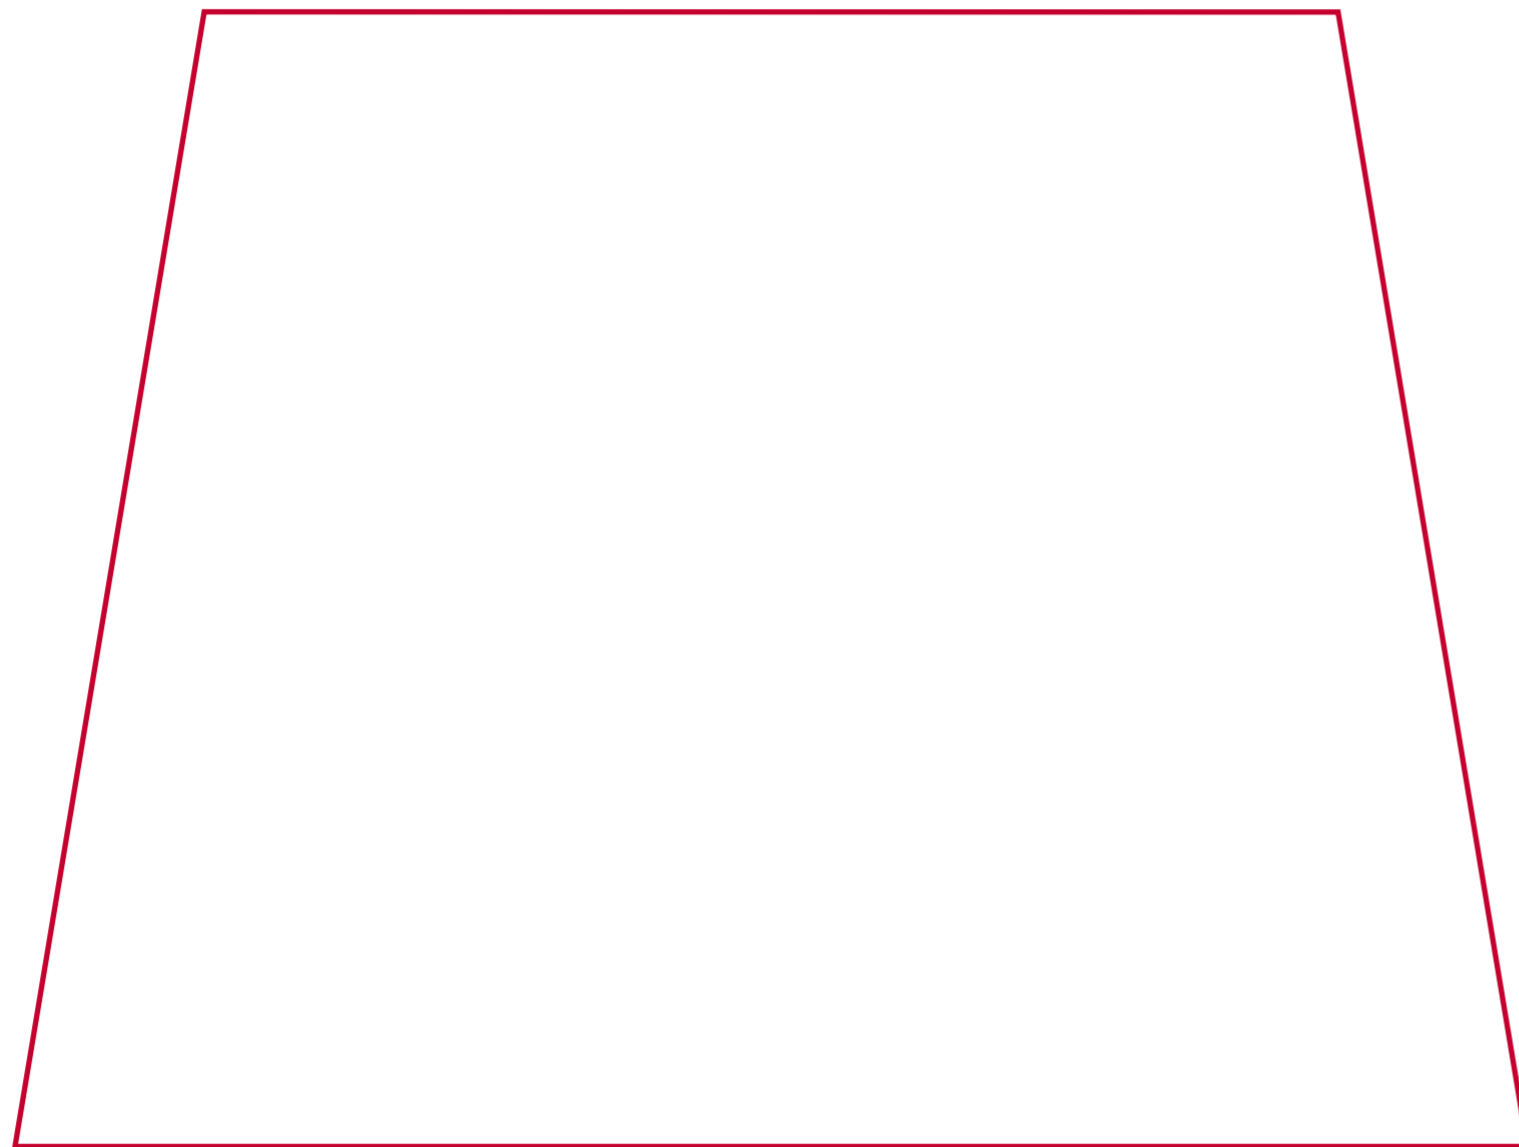

Pantone matching is possible but colours can appear slightly more pastel due to the colormagic finish. A completely true match cannot be guaranteed.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation **of the final product & printed work**. Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

Visual Scale 10% Please see page 2 for actual artwork size.

Please email all approvals/amends to your **order processor**.
