Colour Light Brown / White
Branding Spot Colour (1 col. max)

PANTONE® Colour

Artwork Advisories

Template is to be used as a guide for visual purposes only.
Batches vary, and even within a batch, please be aware these are hand stitched and will all be slightly different.
Every effort is made to ensure print positioning is the same for every product, but variations do happen.
Pantone matching is not 100% guaranteed due to the printing process.

It is the customer's responsibility to ensure that the proof is correct in all areas. Please be sure to double-check spelling, grammar, layout and design before approving artwork. Due to the variation in monitor colours and adjustments, PDF proofs may not provide an accurate colour representation of the final product & printed work. Once artwork is approved, your order will be processed based on the above unless any amendments are made. All orders are subject to our terms and conditions.

Please email all approvals/amends to your order processor.

For Visual Purposes Only Please see page 2 for actual artwork size.
